E A E
She packed up her bags and she took off down the road

She gave me a false address
A E
Took off with my American Express

Sunspot Baby
A E
She sure had me way outguessed

E A E
She left me here stranded like a dog out in the yard
A E
Charged up a fortune on my credit card
A E
She used my address and my name
A E
Man that was sure unkind
B
Sunspot Baby
A E
She sure has a real good time

A
I looked in Miami
E
I looked in Negril
A E
The closest I came was a month old bill
A E
I checked the Bahamas and they said she was gone
B
I can't understand why she did me so wrong

But she packed up her bags
And she took off down the road
Said she was going to visit sister Flo
She used my address and my name
And man that was sure unkind
Sunspot Baby
I'm gonna catch up sometime
Sure had a real good time
