```
"You Make My Dreams" by Hall and Oates
CAPO 5
All Chords Relative to Capo
Verse: C, Dm, Em, F
Chorus: Dm, F, G, C
Two Strike: Bb, F, Dm
Bridge: Dm, F, G
[Verse]
           C
What I want, you've got
                                         C
But it might be hard to handle
Like the flame that burns the candle
       Dm
           Em
The candle feeds the flame yeah yeah
                                                                                 С
What I got -- full stock of thoughts and dreams that scatter
And you pull them all together
       Dm Em F
And how I can't explain oh yeah
[Chorus]
                                              G
                                                          C
Well well you (ooh ooh ooh)
                                you make my dreams come true (you you you)
                       Dm
                                       F
                                                     G
Well well well you (ooh ooh) oh yeah you make my dreams come true (ooh oooh) hell yeah
[Verse]
On a night when bad dreams become a screamer
When they're messin' with a dreamer
I can laugh it in the face
Twist and shout my way out
And wrap yourself around me
'Cause I ain't the way you found me
And I'll never be the same oh yeah
[Chorus]
Well 'cause You (ooh ooh ooh ooh) hmmm hmm you make my dreams Come true (you you you you) oh yeah
Well well you (ooh ooh ooh ooh) ooh you make my dreams come true (you you you you) oh yeah
Listen to this
(strike twice)
Bb-Bb; F-F ...... C-->
Bb-Bb; F-F ..... C-->
Bb-Bb; F-F
               Dm
                                              F
                                                                                      Gstop
I'm down on my day.....dream
                                      All that sleepwalk should be over by now I know
                           F
                                           G
WELL YOU... welleeyah you make my dreams come true
                                                                               oh yeah
                Dm
                                Em
I've been waiting for waiting for you girl
                                                              C
Oh yeah you make my dreams come true
                                                           me & you me you me and you
I've been waiting for waiting for you girl all my life You make my dreams come true
I've been waiting for waiting for waiting for waiting for
waiting for waiting for (You make my dreams) OOH OOHH
```

I've been waiting for you girl (you you you)

(You make my dream you you you)
