

Saving Grace - Tom Petty

E
I'm passing sleeping cities
Fading by degrees
Not believing all I see to be so

E
I'm fly'in over backyards
Country homes and ranches
Watching life between the branches below

A
And it's hard to say
Who you are these days
But you run on anyway

E
Don't you baby?

G
You keep running for another place
D E E
To find that saving grace

E
I'm moving on alone
over ground that no one owns
Past statues that atone for my sins
There's a guard on every door
And a drink on every floor
Overflowing with a thousand amens

A
And it's hard to say
Who you are these days
But you run on anyway

E
Don't you baby?

G
You keep running for another place
D E
To find that saving grace

E
Don't you baby?

E
You're rolling up the carpet
Of your fathers two-room mansion
No headroom for expansion no more
And there's a corner of the floor
They're telling you is yours
You're confident but not really sure

A
And it's hard to say
Who you are these days
But you run on anyway

E
Don't you baby?

G
You keep running for another place
D E E
To find that saving grace

Don't you baby?
